About Us

MYKEA transforms homes across Dubai with smart layouts, custom furniture, and curated decor. We handle everything from design concepts and space planning to sourcing, styling, and final execution. Whether it's a villa or an apartment, we make interiors effortless personalized, functional, and move-in ready.

Our Services

Full-Spectrum Interior Solutions

We deliver turnkey office & residential interiors with space planning, 3D design, curated finishes, and custom furniture - excluding civil, mechanical, and electrical work.

- Interior Design & Visualization
- Space Planning & Optimization
- Material & Finish Selection
- Custom Furniture & Decor
- Turnkey Interior Setup (Excl. Civil/MEP)

Service 1

Interior Design & Visualization

We bring your vision to life with concept development, mood boards, detailed layouts, and realistic 3D visualizations that capture every detail.

- Personalized design concepts
- Realistic 3D renders
- Detailed space layouts

Service 2

Space Planning & Optimization

Our experts design layouts that maximize space, improve movement, and ensure every area serves a functional and aesthetic purpose.

- Smart layout planning
- Enhanced usability & flow
- Function-first approach

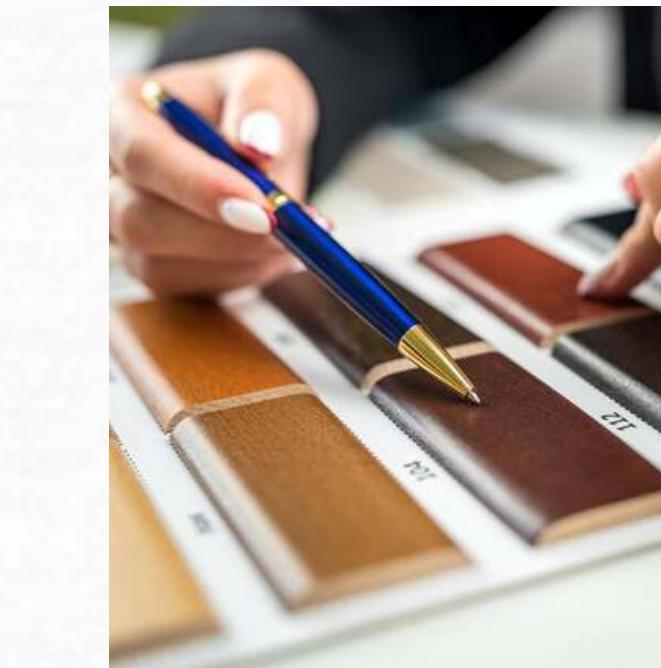

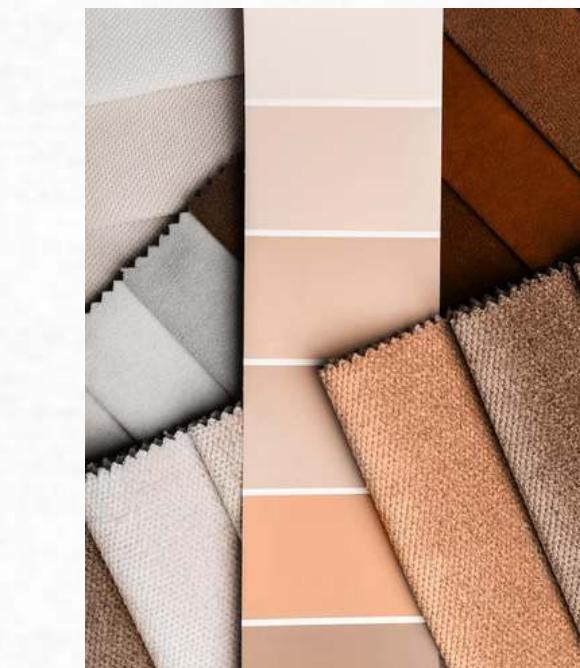

Service 3

Material & Finish Selection

We guide you through selecting premium materials, textures, and color palettes that align with your style and enhance the overall ambience.

- Curated premium materials
- Balanced color schemes
- Texture & finish coordination

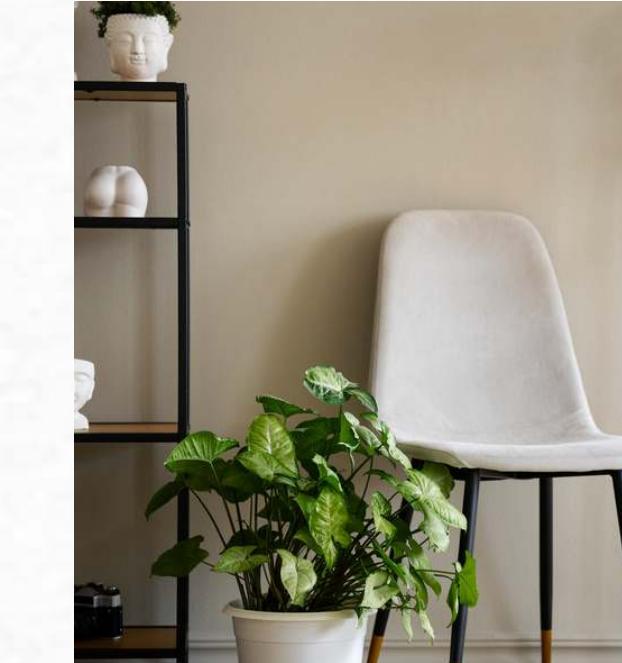

Service 4

Custom Furniture & Decor

From bespoke furniture to handpicked decor elements, we tailor every piece to fit your space and reflect your personal taste.

- Made-to-order furniture
- Style-matched accessories
- High-quality soft furnishings

Service 5

Complete Fit-Out Execution

Comprehensive interior execution covering all non-structural elements, from concept to installation. Delivered with precision, craftsmanship, & a focus on timelines for a seamless experience.

- Turnkey Execution
- Quality Craftsmanship
- Flooring & wall finishes

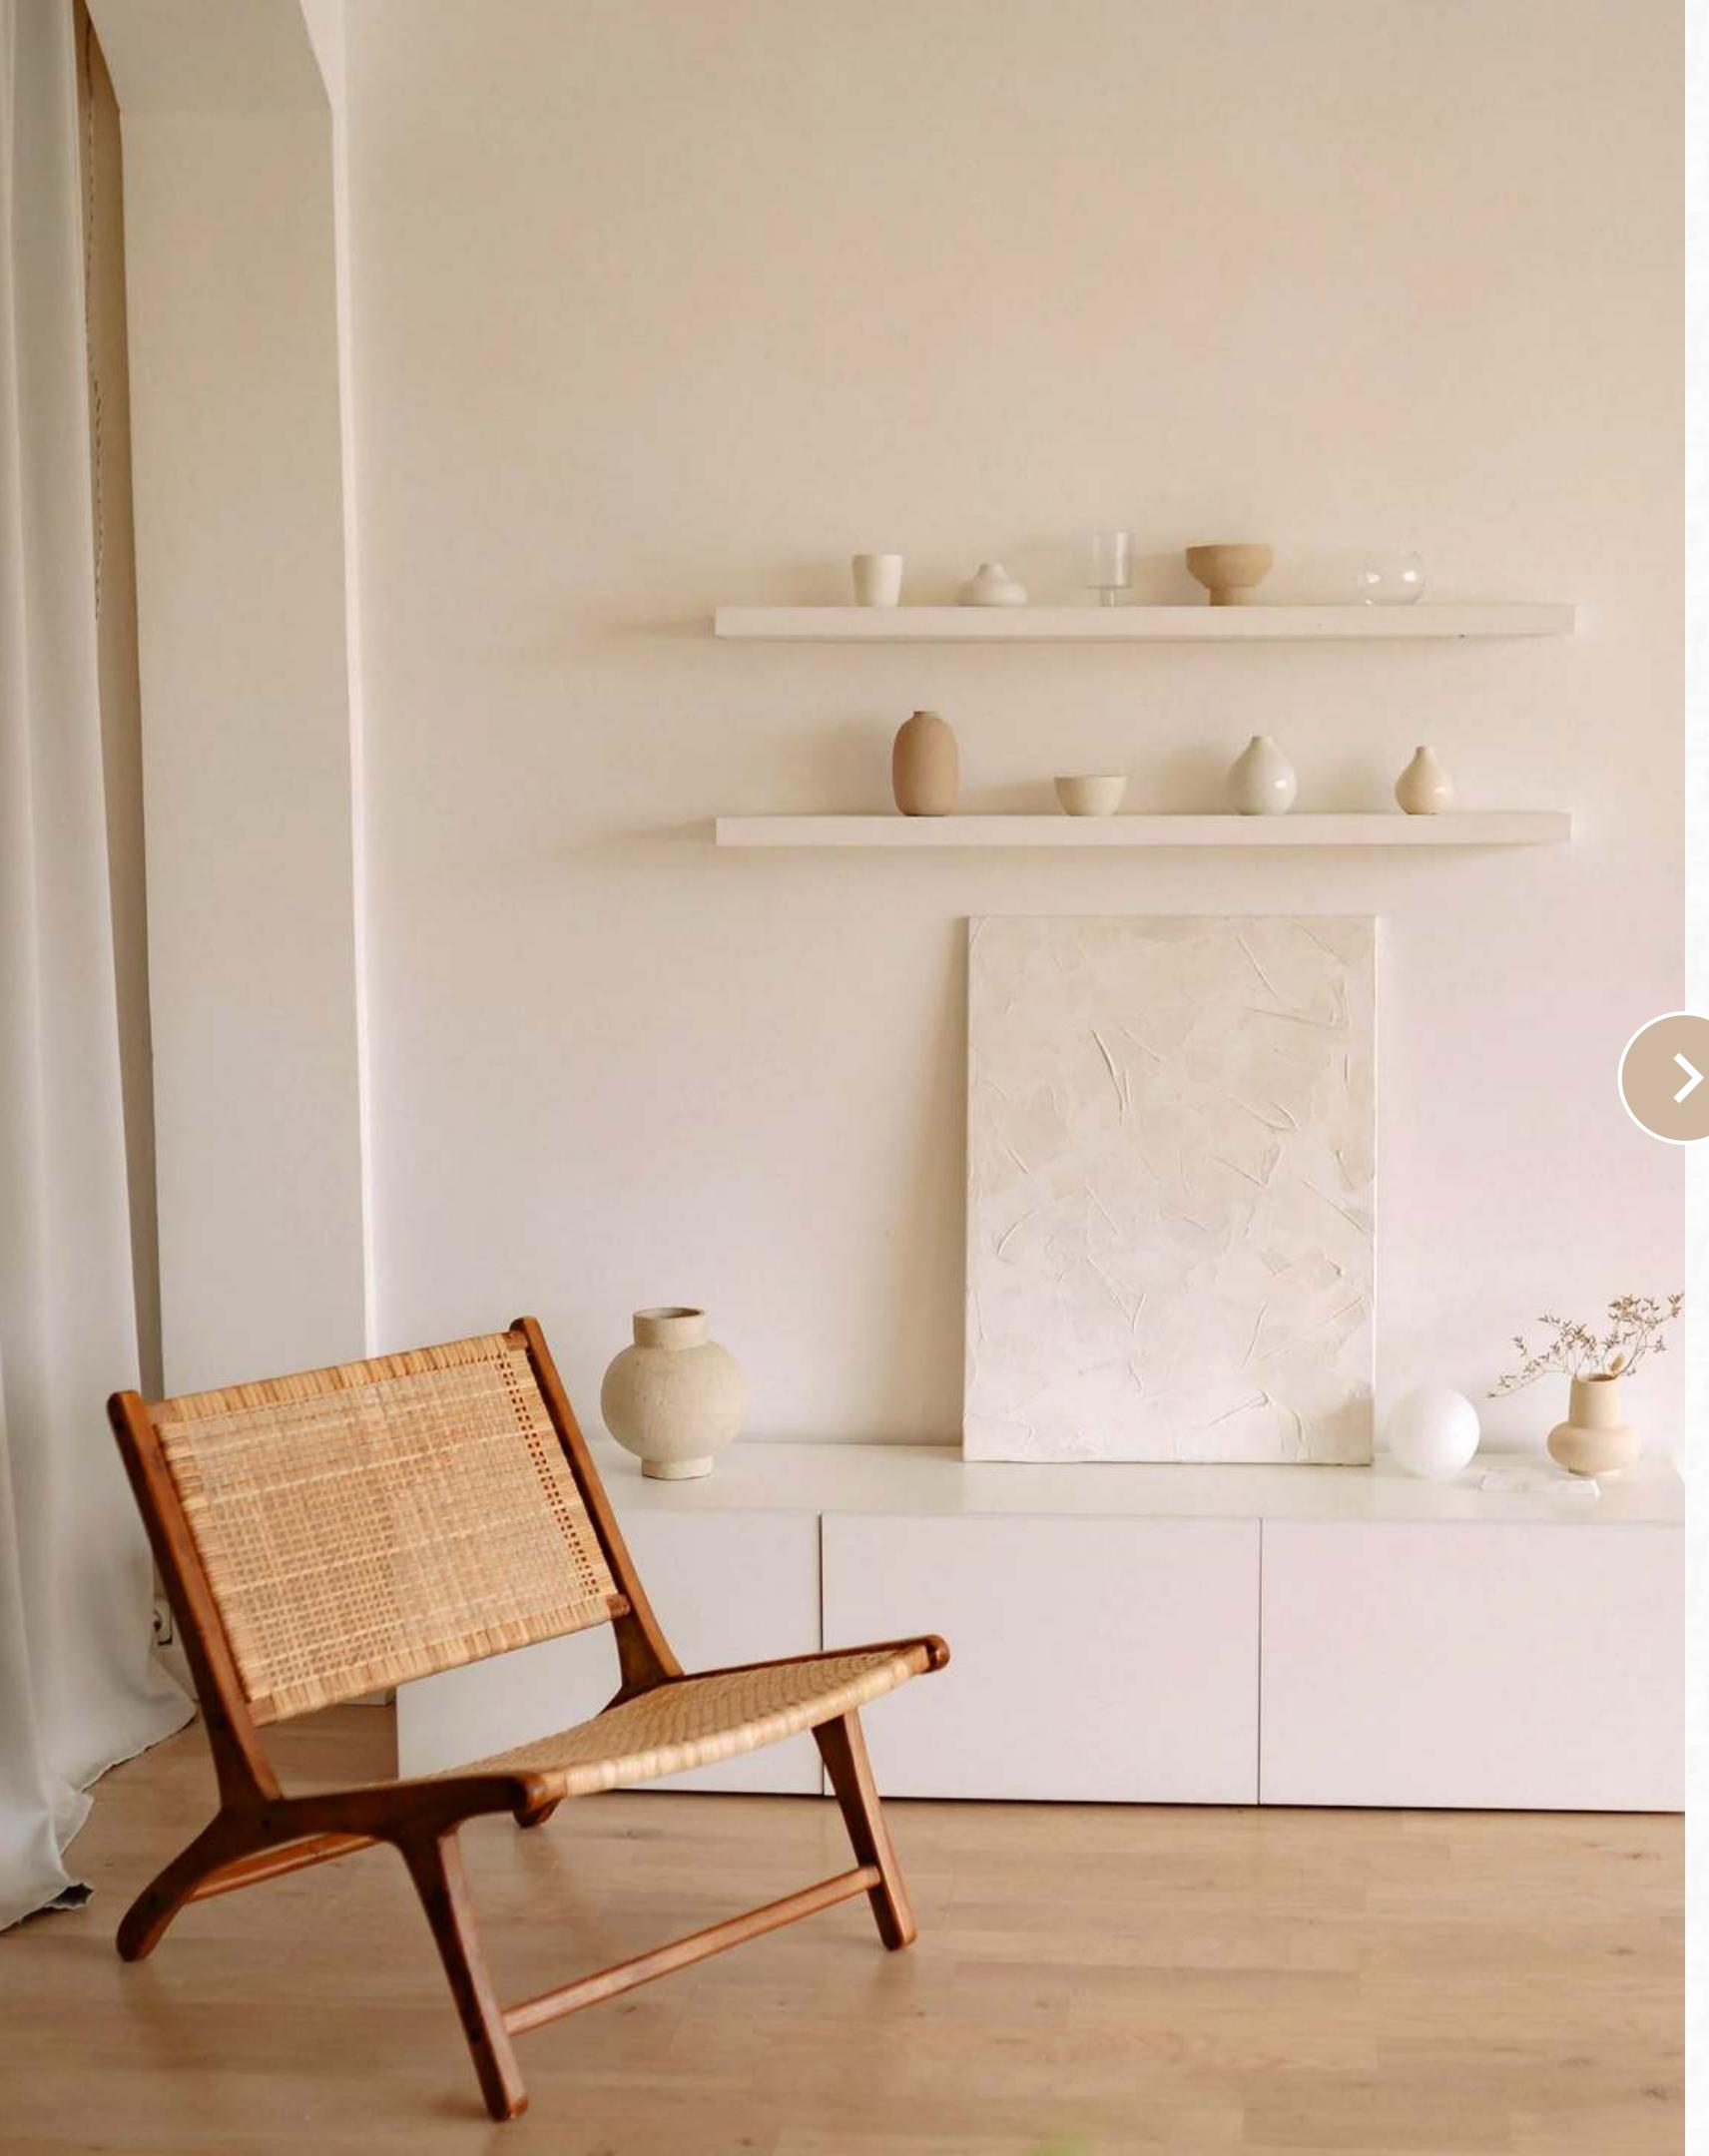

Service 6

Turnkey Interior Setup (Excl. Civil/MEP)

End-to-end project execution covering all non-structural interior works - from design to installation. Seamlessly managed with expert craftsmanship, timely delivery, and attention to every detail.

- Dedicated project lead
- Transparent updates
- On-time, on-budget delivery
